Paris, 4 September 2020

Dear Sir/Madam,

We would like to thank you for the trust that you have placed in us by investing in ODDO BHF Haut Rendement 2023 (hereinafter the “**Fund**”).

I – The operation

With the aim of constantly improving our range, ODDO BHF Asset Management SAS has decided, in its capacity as management company (hereinafter the “**Management Company**”) of the Fund, to merge the CN-USD [H] unit class with the CN-EUR unit class.

More specifically, CN-USD [H] units will cease to exist and all holders of these units will become holders of CN-EUR units.

Merging units	MERGER	Receiving units
CN-USD [H] (ISIN: FR0013269073)	⇒	CN-EUR (ISIN: FR0013270022)

The merger of the units will take place on 25 September 2020 on the basis of the net asset value of each unit on 24 September 2020.

From 18 September 2020, no further subscription and redemption requests for CN-USD [H] units will be accepted.

As a result of the merger, the prospectus will be updated on 25 September 2020 to reflect the withdrawal of CN-USD [H] units.

Please find below the main consequences of this merger on your investment and the terms and conditions of the operation. Do not hesitate to contact your usual financial adviser if you have any questions.

II – Changes resulting from the operation

A – Risk profile

Change to risk/return profile: NO

Risk/return profile increase: NO

ODDO BHF Asset Management SAS 12, boulevard de la Madeleine - 75440 Paris Cedex 09 France - Tel.: 33 (0)1 44 51 85 00 –
 am.oddo-bhf.com

Asset management company incorporated in the form of a *société par actions simplifiée* (simplified joint stock company) with share capital of EUR 9,500,000,

Approved by the Autorité des marchés financiers (AMF) under number GP 99011 - RCS 340 902 857 Paris

Since CN-USD [H] and CN-EUR units are both unit classes in the same fund, they share the same investment objective, the same management strategy and an identical composition of assets.

Consequently, the risk/return profile of CN-USD [H] units is identical to that of CN-EUR units.

B – Change in fees

Fee increase: NO

The maximum management fees for the merged units, as indicated in the Fund prospectus, are as follows:

	CN-USD [H] Merging units		CN-EUR Receiving units
Management fees	maximum 0.80%, inclusive of tax	MERGER ⇒	maximum 0.80%, inclusive of tax
Performance fees	10%, inclusive of tax, of the net performance exceeding annual performance of 4%		10%, inclusive of tax, of the net performance exceeding annual performance of 4%

In consequence, holders of CN-USD [H] units who receive CN-EUR units will be charged identical management fees and performance fees once the merger has been completed.

C. Change of currency

CN-USD [H] and CN-EUR units are denominated in different currencies. CN-USD [H] units are denominated in dollars whereas CN-EUR units are denominated in euro. As such, holders of CN-USD [H] units who receive CN-EUR units will hold units denominated in euro from 25 September 2020. CN-EUR units are not hedged against currency risk since the euro is the reference currency of the Fund.

III – Terms and conditions of the operation

The exchange ratio between CN-USD [H] units and CN-EUR units will be determined according to their respective net asset values on 24 September 2020. Calculations will be carried out on the basis of the EUR value of CN-USD [H] units.

Therefore, in exchange for the CN-USD [H] units that you hold, you will receive CN-EUR units or thousandths of units.

If the exchange ratio is such that, as holders of CN-USD [H] units, you are not entitled to a whole number of thousandths of CN-EUR units, the number of thousandths of CN-EUR units that you will be awarded will be rounded down.

CALCULATION OF THE EXCHANGE RATE
