

Enabling all actors to communicate efficiently data and documents

With the introduction of PRIIPs, the financial industry will be required to produce **PRIIPs Key Information Documents (KIDs)**. For example, funds invested in or included in insurance products will be required to provide data for transparent look through of performance, risk and cost detail required for PRIIPs KID.

Choose Fundsquare for PRIIPs

Fundsquare's platform is today the leading platform for transmitting data and documents.

- ◆ **600** companies using e-file.lu for regulatory compliance
- ◆ More than **1.5 million** KIIDs are transmitted annually
- ◆ **90,000** prospectuses and financial reports
- ◆ Fund information from **1,500** promoters
- ◆ Feeding data to **150** distributors and distribution platforms

Proven and efficient
processes for data and documents transmission
